

Dear Pam

Thank you for allowing Stella and I to come to the mystery holiday day out. It was really interesting to go to a rubbish tip and it was probably an only once in a life time event. My favourite part was probably going in the car on a tour around and seeing what it looked like. Stella's favourite part was meeting Bart the bin and creating artworks out of recycled rubbish. We learnt loads of facts that I actually did not know.

It was really exciting to see that the Kookaburra kids foundation receiving that partnership and donation with SITA and the goody bag was AW.!

Hopefully we are invited to more awesome activity days.

Love from Rose and Stella Cox.

Strathfield ☺
